

# LOVE FOR DAY CAMP!

"My children have had an absolutely amazing time at Devonwood Day Camp for the last two summers! From the moment we walked in, the staff were welcoming, friendly and professional, instantly making my children feel at ease. What impressed me the most was the genuine care the counsellors showed towards each child. They went above and beyond to ensure everyone felt included and had a great time. My children were always talking about the new friends they made and the variety of things they did. As a parent, knowing my children are in a safe, encouraging, and nurturing environment gives me such peace of mind. I can't recommend this day camp enough and am already planning to send my children back this year. Huge thanks to the incredible team for creating such wonderful memories!"

**Let's have the best summer ever, together!**

## LOOKING FOR A FUN SUMMER? WE NEED VOLUNTEERS!

Every year our team of leaders has done an incredible job with the campers. Camp would not run smoothly without them. If you or someone you know is looking for volunteer hours we encourage you to think about joining our awesome team for a fun-filled summer!
